

RENEXPO® Energy, Waste & Water

RENEXPO® 2020 postponed

Due to the current situation surrounding the spread of the Coronavirus (COVID-19) and the associated official requirements, **RENEXPO®** trade fair and conference cannot be held from 13 -14. May 2020 at the Belexpocenter, Belgrade, Serbia.

We take our responsibility for the health and safety of our guests, exhibitors and employees very seriously and alter our decisions upon the requirements from Ministry of Health of Republic of Serbia.

We are full of optimism and look forward to welcoming you to our next event, which will be announced on our website and social media channels.

Until then, we wish you all the best and stay healthy!
